**FORM 425C Exhibit F****Total Receivables**

*Free Speech Systems LLC does not have traditional receivables from our customers. Virtually all our transactions happen via our on-line store and aggregated by our third party credit card processor. There is a lag between the transaction on the on-line store and the funding from our processor. Therefore, we don't have traditional customer receivables but have included our daily processor deposits that are unpaid as of the end of the month as receivables*

*FSS switched credit card processors in October in order to reduce our bankcard rate from 7.0% to 5.5%. The settlement period in the new contract is listed as 5-10 business days and it has been averaging 13 days. The Accounts Receivable balance at month end is trending higher than previous months. As of the date of this MOR filing, all of the above AR has been collected by FSS.*

<sup>(a)</sup> On 10/26 AXOS bank closed our accounts for the second time in 30 days, despite assurances that they would work with FSS to provide an orderly transition. There was some confusion with the InfoWars account #78893 and the InfoW Account #77838 with the multiple account closures and cashiers checks that were sent to the Austin office. The InfoW address on file with AXOS was to a different office and as of 12/31 we were still working with AXOS bank to get the closing balance to the correct account. We are not getting cooperation with AXOS Bank and counsel has reached out to AXOS Bank to get it resolved.
